Delhi & Northern India International Travel Maps

ISBN 9781771292306

Delhi is not only one of the largest cities in the world, it is the principal gateway into India. It is also the capital of modern India, and was the capital of the Mughal dynasty from the mid-1600s. As a result, it is a blend of history, the Raj era, and post-independence chaos. The Red Fort is a UNESCO World Heritage site, and the Tughlaqabad fortress ruins, dating from the 1300s, stretch for six kilometers. India's largest mosque is located here, as well as its largest Hindu temple and the largest Sikh temple. In fact, Delhi is a city of religious buildings. The reverse side of the sheet is new to this edition, covering much of central northern India and is perfect for making short tours of the region from Udaipur in the southwest to Srinagar in Kashmir/Jammu and historic Lucknow, site of the siege during the Mutiny, in the east.

Denver & Colorado Travel Reference Map

ISBN 9781771292313

1st edition 2018. Denver, the 'mile-high' city on the eastern slopes of the Rocky Mountains, is a vibrant, fairly modern city. It is the state capital, and the gold-coated dome of the legislative building highlights the wealth and strength of the state. The Denver Zoo is becoming one of the great attractions of the city, as are the Center for Performing Arts and the Museum of Science and Nature. Larimer Square is the focal point for entertainment, and Coors Field for sports. Our map shows a wide-ranging number of accommodations and eateries, and notes all points of interest. The State of Colorado map fills the reverse side of the sheet and, due to the positioning of the state's boundaries, nicely fills the 40x28 sheet size of the map.
