BRADT TRAVEL GUIDES

Chilterns & The Thames Valley, The, Bradt Travel Guide (1st ed. Mar. 19)

ISBN 9781784776138

This new title from Bradt forms part of its distinctive 'Slow Travel' series and is the only title available to cover the Chilterns and Thames Valley in depth. The Chilterns and the Thames Valley do not correspond to the specific boundaries of one county or region, old or new. Bedfordshire, Berkshire, Buckinghamshire, Hertfordshire and Oxfordshire all have a share. Divided into six easily manageable sections, Bradt's The Chilterns and Thames Valley lifts the lid on what makes this area so distinctive. Chalk grasslands, beech woods, streams and wooded valleys provide a perfect landscape for walking and are easily accessible from London.

This new, thoroughly updated edition of Bradt's award-winning North Devon & Exmoor remains the only dedicated general guide to this compelling area. North Devon's relative inaccessibility has been a deterrent to ugly development, and Exmoor National Park is one of the smallest, least well known, and utterly delightful of all national parks. The rugged western cliffs around Hartland Point are the most dramatic in Devon and the cliff-top walking some of the best. New to this edition are several nature reserves which didn't make it into the first edition and more in-depth descriptions of the far western part of Devon abutting the Cornish border.

Bolivia, International Travel Maps

ISBN 9781771290890

6th edition 2018. As a travel destination, Bolivia definitely ranks among the routes less travelled! However, it is a fascinating country and well-worth visiting. We have printed this edition on plasticized paper for durability, as one will definitely need a map to get around this mountainous country. The map shows the road network to best advantage, with distances between communities whenever possible. Touristic sites are noted, and elevations, parks, and reserves. Inset maps of La Paz, Potosi, and Santa Cruz de la Sierra are included.

Stockholm & Southern Sweden, International Travel Maps

ISBN 9781771297035

This is both a second edition version of Stockholm itself, combined with a detailed map of southern Sweden, and thus a 'new' map for ITMB. The city itself is interesting, and fills side one. The central railway station forms the western edge of the Centralen (or centre), but it is the more southerly Gamla Stan (or old town) that captivates visitors with its narrow streets and numerous hotels. Stockholm has an excellent rapid transit network joining the central areas to the more outlying ones, and a series of ferry docks joining points in the harbour area and beyond, all of which are shown clearly.
