### Unlikely Positions: A Yoga Journey around Britain, Bradt Travel Guide (1st ed. June 19)

ISBN 9781784776404

Elizabeth Gowing is not a likely yogini. She is too fond of chocolate and To-do lists, and sometimes falls over on her mat. But yoga has taken her on journeys both inside and out and now she follows yoga around Britain - from the village hall where a quivering triangle pose was interrupted by the council recycling collection to a sound gong bath in the country's noisiest city, from Cornwall to Scotland. She discovers prisoners finding solace in child's pose; children finding expression in dancer pose, and dancers sitting bendily in cobbler's pose. Her feet start to hurt and she realizes that yoga is a current of shared experience that runs quietly through British society, through Middle England to the nation's extremes.
