This guidebook describes 33 walks in the beautiful Algarve in southern Portugal. It is best known for its spectacular coastline: the coastal trails presented here afford ample opportunity to admire the plunging sinkholes, striking sea-cliffs and rock-hugged beaches. However, the interior is every bit as beautiful and other walks explore the forested slopes of Monchique and the tranquil countryside between the mountains and coast. The routes range from 3.5 to 17km and cover the sun-kissed south coast, the rugged Vicentina Coast, the Monchique mountains and traditional villages of the eastern Algarve.
