BRADT TRAVEL GUIDES

Connemara Journey, The

ISBN 9781784778255

Hilary Bradt's classic account of a journey through Ireland on horseback in the 1980s published for the first time in a single volume. In 1984, Hilary Bradt achieved an ambition from her pony-mad childhood to undertake a long-distance ride. This warm, funny and heart-wrenching account centres on the growing bond between the author and her Connemara ponies, Mollie and Peggy. Using her experience of horsepacking in Peru with saddlebags imported from America, she and Mollie set forth with no decent maps, and only a vague idea of the route. The many challenges and obstacles they face include impassable rivers, bogs, stone walls, and the author's own shyness.

Italy: Umbria & the Marche, Bradt Travel Guide (1st ed. July 21)

ISBN 9781784776923

Bradt's Umbria & the Marche is the most detailed guide to combine these two small central Italian regions, which offer all the beauty, history and culture of neighbouring Tuscany only without the crowds, the traffic or eye-popping prices. Dana Facaros and Michael Pauls (authors of the original Cadogan guide to the area) lived in Umbria in the 1980s and have been returning regularly and writing about it ever since. They are the perfect guides to the region's landscapes, hill towns, food and wine, and art and architecture. The superb art cities of Umbria and the Marche steal the limelight - Perugia, Orvieto, Urbino, Assisi, Spoleto, Loreto, Todi, where art fills every church and palazzo.

1000 places to see before your die: Deluxe edition (HB)

ISBN 9781579657888

The 3.5-million-copy bestseller reimagined with over 1000 photos now in a deluxe gift edition. Patricia Schultz curates the world. Now Schultz captivates our hearts in the same compelling way her original book spoke to our minds. Moving from eloquent word to breath-taking image, she takes us on a visual journey of the best the world has to offer, and as we turn the pages and pore over these images, we feel it all: joy, curiosity, awe, passion, nostalgia (if we've been there), inspiration (because we want to go), and a profound and transforming sense of how lucky we are to live in a world filled with such beauty and wonder - to see tributaries of mist curling over the Great Wall, elephants grazing on the floor of the Ngorongoro Crater, the sun setting on the wild coast of Donegal, masked whirling dancers at a festival in Bhutan.
