CICERONE

Costa Blanca Mountain Adventures: The Bernia Ridge and other multi-activity adventures

ISBN 9781786310330

There are few destinations in Europe where you can enjoy typical 'summer' outdoor pursuits in the middle of winter. However, Spain's Costa Blanca is one such place and the range and quality of activities on offer is outstanding. This multi-activity guide presents a handpicked selection of 60 ridge routes, via ferratas, canyons, sport-climbing crags, trad-climbing crags, hikes, trail runs and road-cycling routes to inspire keen adventurers to explore the region's striking ridges, peaks, crags and barrancos (canyons). A broad spectrum of activities is covered - although since many of the routes involve climbing skills and rope-work, the guide is particularly well suited to climbers interested in a multi-activity holiday - and there are plenty of mid-grade options.
