LONELY PLANET POCKET

Havana Pocket, Lonely Planet (2nd ed. Dec. 23)

ISBN 9781787013759

On first impressions, Havana can seem like a confusing jigsaw puzzle, but work out how to put the pieces together and a beautiful picture emerges. It's too audacious, too contradictory, and, despite 60 years of withering neglect, too damn beautiful. How it does it is anyone's guess. Maybe it's the swashbuckling history, the survivalist spirit, or the indefatigable salsa energy that emanates most emphatically from the people. Arrive with an open mind and prepare for a long, slow seduction.
