BRADT TRAVEL GUIDES

Catalunya & Barcelona including Pyrenees-Orientales (1st ed. Dec. 25)
ISBN 9781804693087

Bradt's newly published Catalunya & Barcelona has the most extensive coverage of any travel guidebook to the whole of this fiercely independent region (both French and Spanish sides), which is proud of its strong identity and packs a huge amount of fascination and contrast into a conveniently small area from the Pyrenees mountains and sparkling Mediterranean coves to crisp cava and world-renowned cuisine. Although Barcelona, with its Gaudi architecture, may be the best-known destination, the rest of Catalunya generates the identity of which local residents are so proud. Although officially a semi-autonomous comunidad, Catalunya feels like a separate country as arguably befits its history as a medieval kingdom that ruled parts of southernmost France, the Balearics and even what is now the Italian island of Sardinia.

Ranked the world's third most beautiful country by Forbes Magazine, the country has nature at its heart. By some estimates, Colombia - being blessed with Andes, Amazon, coast and more besides - houses a staggering 10% of the planet's animal and plant species: pink river dolphins swim in the Amazon near Leticia, ocelots slip between trees in vine-tangled rainforest and bird-watchers marvel at avian riches in the vast savannah of Los Llanos and various mountain ranges.

ISBN 9781804692646

This new, thoroughly updated ninth edition of Bradt's Ghana remains the only dedicated guidebook to this beguiling country - and the most comprehensive source of travel information about it. One of West Africa's few English-speaking nations, the first country in sub-Saharan Africa to gain independence and the world's second-largest producer of chocolate, Ghana is friendly, safe and inexpensive, making it an ideal destination for first-time visitors to the continent. Ghana is a country more about experiencing the unique and authentic than ticking off a series of boxes. Its coverage ranges from inexpensive opportunities to see wildlife to cultural and historical aspects, from the solemnity of the slave dungeons at Elmina's UNESCO-listed castle to villages near its remote and sparsely populated northern border with Burkina Faso.
